701R

A vertical rectangular sample of wood-grain laminate. The color is a deep, dark reddish-brown, characteristic of a stain like '701R'. The grain pattern is vertical and consists of fine, closely spaced lines. At the top center, there is a white, rounded rectangular label with the text '701R' in a bold, black, sans-serif font. The sample is set against a light-colored, possibly white, background.

The image shows a close-up of a wood grain texture. The wood is a medium-brown color with a prominent vertical grain pattern. There are several knots and variations in the wood's color and texture, giving it a natural, organic appearance. The wood is set against a light-colored background, possibly a wall or a panel, which is visible at the top and bottom edges of the image.
